## D-CLEVER LADDER LEVELER

**300 lbs**  
LOAD CAPACITY

Connecting plates

The **D-CLEVER** Ladder Leveler offers the lightest, easiest and fastest way to level your ladders!

Once your **D-CLEVER** Connecting Plates are installed on your ladder, simply clip-in your Ladder Leveler on the side that it's needed and you're ready for the job!

Do not carry unnecessary weight all day every day if you do not need to use a ladder leveler. Being tired is one of the leading causes of accidents when using a ladder.

One leveler can be used on multiple ladders, just buy and install an additional **D-CLEVER** Connecting Plate kit on your 2nd and 3rd ladder (or as needed) and increase your savings and your safety!

### FEATURES

- Light weight connecting plates, only 0.56 lbs each!
- Easy to use Ladder Leveler Clip
- Fits most extension and combination ladders
- Heavy duty and slip-resistant safety feet with steel ice pick plate

### KIT INCLUDES

- 1x Ladder Leveler with safety feet
- 2x connecting plates
- Installation hardware
- Installation and operating instructions
